

MSC 2018-2019 Intersession Advanced Registration

Child's name(s) _____

Some parents know well before the school year begins that their children will need to be at the school during all or some of the intersession periods. Intersession Advanced Registration allows parents to confirm a space for their child intersessions with the option to cancel any of the weeks in advance and not be charged. Please check the box for your child's program and Intersession dates needed, below. If you need to register your child for the full session you may indicate so by using the shaded row
