

The Montessori School of Camden

Extended Day Worksheet 2021-2022

Parents have the option for their children to remain at MSC after dismissal for an additional fee. If you know you will need Extended Day throughout the year you may wish to select the school year plan that meets your needs. If your need for Extended Day varies across the week or the year you may prefer to pay the hourly rate of \$4.20, calculated by the half-hour, as a casual student. **During the pandemic, space is very limited, and casual students may not attend without prior approval.** Parents may register for Intersession Extended Day on the Intersession Worksheet. MSC will charge parents a \$25 administrative fee for any changes made to this Extended Day worksheet.
